**To: Industry Employers and Employees**

**Circular – Waiver of Administration and Dispute Levy for May 2020**

Further to our initial circular dated 20 April 2020 the BCCEI wishes to announce that the administration and dispute levies for May 2020 have also been waived. It will therefore not be necessary to deduct any fees from employees' salaries and the employer does not have to contribute their portion towards the payment of said levies.
