**Circular – BCCEI APPOINTS ACTING GENERAL SECRETARY**

The Bargaining Council for the Civil Engineering Industry (“BCCEI”) has appointed Mr Kevin Moodley as Acting General Secretary, with effect from 1 August 2020. Mr. Moodley has served as the Financial Manager of the BCCEI since September 2014 and has been actively involved in both the strategic and day-to-day operations of the Council. Prior to him joining the BCCEI, he worked for the Metal Engineering Industries Bargaining Council (“MEIBC”) as Financial Manager for a period of 10 Years. His experience of bargaining councils and insights into the industry equip him well for his new role.

On behalf of the parties to the BCCEI, management, staff and the Civil Engineering Industry, we wish Mr. Nick Faasen, our outgoing General Secretary well in his retirement and future ventures.

In addressing the challenges of the Covid-19 pandemic, Mr Moodley says that the entire industry has been adjusting to the “new normal”. At the BCCEI, it remains business as usual, providing its range of vital services through contact and non-contact methods. He says that the Council remains committed to prompt service delivery to the industry.
